

Blevins School District

Annual Report to the Public/Master Plan

October 10, 2016

Act Seven of the first Extraordinary Session of the Arkansas General Assembly of 1983 and Act 35 of 2003 require all public school districts to report to patrons annually on the condition of their respective schools. The Blevins School Board of Directors met on Monday, October 10, 2016 at 6:30pm in the Administration Building to present its annual report to the public. The Blevins School District remains in compliance with all state mandated standards of performance and operation. The District is fully accredited through the Arkansas Department of Education (ADE). High School: Met year one

Blevins Elementary School (BES)

Blevins Elementary School (BES) earned a grade of C+ on the A-F state ranking system and is an Arkansas Department of Education accredited, cited, school. Blevins Elementary is a Needs Improvement School. Each student received a handbook of student policies to share with his or her parents. In 2015-16 student discipline referrals were down 10% from previous year. Two teachers are currently on an Alternative Learning Plan approved by the ADE. BES goals for the current year: prepare students for the ACT Aspire exam, new test for grades 1-2, remediation of all students, student behavior, improve attendance, and increase parental involvement. Special projects include: after school tutoring, summer school, summer reading program, Nutrition Farm to

you and kids in the kitchen program, pee wee basketball, and the archery program.

Blevins High School (BHS)

Blevins High School has two new teachers. Blevins High School was needs improvement in both literacy and math. BHS was also given an overall ranking of C+ through the Arkansas School Grading System. BHS is an accredited, cited, school with the ADE. The High School currently has three teachers on ALP Plans with the ADE. The ADE has listed BHS as a Focus, met year one, school for the 2016-17 school year. Each student received a handbook of student policies to share with their parents. BHS goals for the current year include: improve test scores, target literacy, math, and science, write individualized student AIP plans, improve test strategies, meet standards, work for a safer environment, establish leadership teams and utilize more technology in instruction. Special programs include: writing across the curriculum, connective math, full remediation periods, improved test strategies, team teaching, concurrent credit courses utilizing UA at Monticello and Virtual Arkansas, AP courses, full use of DL lab, established new learning lab, and tutoring for 7-8th grades will be offered.

Master Plan

Review six year master plan for District.

Blevins School District (BSD)

All Board members received the required in-service training for the 2015/16 school year. The primary goal of the Blevins School District remains to Improve test scores and provide the students of the district with the highest quality education possible. BSD has established a budget of expenditures to ensure that programs needed by each building are available so they can achieve their goals. The total enrollment for the district, as of October 1st, was 484. Further questions or comments may be directed to the superintendent of schools by mailing them to Billy Lee, P.O. Box 98, Blevins, Arkansas,

71825. All school information is posted on the district website at <http://blevinshornets.weebly.com>
