### **3.1—CERTIFIED PERSONNEL SALARY SCHEDULE**

Enter your District’s salary schedule for this policy. State law requires each District to include its teacher salary schedule in its written personnel policies unless the District recognizes a teachers’ union in its policies for, among other things, the negotiation of salaries. For the purposes of the salary schedule, a teacher will have worked a “year” if he/she works at least 120 days.

#### **Alternative Licensure Program, no prior teaching license**

Each employee newly hired by the district to teach under the alternative licensure program (ALP) shall initially be placed on the salary schedule in the category of a bachelor’s degree with no experience, unless the ALP employee has previous teaching experience which requires a different placement on the schedule. Upon receiving his/her teaching license, the employee shall be moved to the position on the salary schedule that corresponds to the level of education degree earned by the employee. Employee’s degrees which are not relevant to the ALP’s position shall not apply when determining his/her placement on the salary schedule. An alternative licensed teacher shall be eligible for step increases with each successive year of employment, just as would a teacher possessing a traditional teaching license.

#### **Licensed employee, seeking additional area or areas of licensure**

Licensed employees who are working on an ALP to gain licensure in an additional area are entitled to placement on the salary schedule commensurate with their current license, level of education degree and years of experience. Degrees which are not relevant to the employee’s position shall not apply when determining his/her placement on the salary schedule.

### **3.2—CERTIFIED PERSONNEL EVALUATIONS**

Evaluations of certified personnel shall be undertaken at least annually.

Evaluations shall be based on a combination of scheduled and informal observations. Additional and more frequent informal observations will be done should it be determined by the administration that the observations would be helpful in addressing performance problems.\*

### **3.3—EVALUATION OF CERTIFIED PERSONNEL BY RELATIVES**

No person shall be employed in, or assigned to, a position which would require that he be evaluated by any relative, by blood or marriage, including spouse, parent, child, grandparent, grandchild, sibling, aunt, uncle, niece, nephew, or first cousin.

### **3.4—CERTIFIED PERSONNEL REDUCTION IN FORCE**

#### **SECTION ONE**

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards of Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district, and by examining the staffing of the district in each licensure area and/or, if applicable, specific grade levels.

If a reduction in force becomes necessary in a licensure area and/or specific grade level(s), the teacher's length of service in the district shall be the initial determining factor. The teacher with the most years of employment as a licensed teacher in the district **as compared to other teachers in the same licensure area and/or specific grade level(s)** shall prevail. Length of service in a non-certified position shall not count for the purpose of length of service for a licensed position. Total years of service to the district shall include non-continuous years of service. Working fewer than 120 days in a school year shall not constitute a year.

In the event that two employees subject to a RIF have the same length of service, the employee with the highest number of points as determined by the schedule contained in this policy shall be retained. The teacher with the fewest points will be laid off first. In the event two or more employees have the same number of points, the teacher(s) shall be retained whose name(s) appear first in the board's minutes of the date of hire. There is no right or implied right for any teacher to "bump" or displace any other teacher.

#### **Points<sup>2</sup>**

- Years of service in the district—1 point per year

All certified position years in the district count including non-continuous years.

Service in any position not requiring teacher licensure does not count toward years of service. Working fewer than 120 days in a school year shall not constitute a year.

- Graduate degree in any area of licensure in which the teacher will be ranked (only the highest level of points apply)
  - 1 point—Master’s degree
  - 2 points—Master’s degree plus thirty additional hours
  - 3 points—Educational specialist degree
  - 4 points—Doctoral degree
- National Board of Professional Teaching Standards certification—3 points
- Additional academic content areas of endorsement as identified by the state board—1 point per area
- Certification for teaching in a state board identified shortage area—2 points
- Multiple areas and/or grade levels of licensure as identified by the state board—1 point per additional area or grade level as applicable

All points awarded must be verified by documents on file with the District by October 1 of the current school year. Each teacher’s points shall be totaled with teachers ranked by the total points from highest to lowest. All teachers shall receive a listing of licensed personnel with corresponding point totals. Upon receipt of the list, each teacher has ten (10) working days within which to appeal his or her assignment of points with the superintendent whose decision shall be final.

A teacher with full licensure in a position shall prevail over a teacher with greater points but who is lacking full licensure in that subject area. “Full licensure” means a permanent, non-contingent license to teach in a subject area or grade level, in contrast with a license that is provisional, temporary, or conditional on the fulfillment of additional course work or passing exams or any other requirement of the Arkansas Department of Education, other than the attainment of professional development training.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all teachers will be brought into compliance, by a partial RIF if necessary, with the receiving district’s salary schedule. Further adjustments will be made if length of contract or job assignments change.<sup>3</sup> A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

If a teacher is non-renewed under this policy, he or she shall be offered an opportunity to fill a vacancy for which he or she is qualified for a period of up to two (2) years. The non-renewed teacher shall be recalled for a period of two (2) years in reverse order of the layoff to any position for which he or she is qualified. Notice of vacancies shall be by certified mail and the non-renewed teachers shall have 10 working days from the date that the notification is received in which to accept the offer of a position. A lack of response or a teacher’s refusal of a position shall end the district’s obligation to replace the laid-off teacher.

## **SECTION TWO**

In the event the district is involved in an annexation or consolidation, teachers from all the districts involved will be ranked according to years of service, licensure, degrees, and training. A year of teaching at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.

### **3.5—CERTIFIED PERSONNEL CONTRACT — RETURN**

An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of the Superintendent. The date of receipt of the contract shall be presumed to be the date of a cover memo which will be attached to the contract.

Failure of an employee to return the signed contract to the office of the Superintendent within thirty (30) days of the receipt of the contract shall operate as a resignation by the employee. No further action on the part of the employee, the Superintendent, or the School Board shall be required in order to make the employee's resignation final.<sup>1</sup>

### **3.6—CERTIFIED PERSONNEL EMPLOYEE TRAINING**

All employees shall attend all local professional development training sessions as directed by a supervisor.

The District shall develop and implement a plan for the professional development of its certified employees. The district's plan shall, in part, align district resources to address the professional development activities identified in each school's ACSIP. The plan shall describe how the district's categorical funds will be used to address deficiencies in student performance and any identified academic achievement gaps between groups of students. At the end of each school year, the district shall evaluate the professional development activities' effectiveness in improving student performance and closing achievement gaps.

Each certified employee shall receive a minimum of sixty (60) hours of professional development annually to be fulfilled between July 1 and June 30 or June 1 and May 31.<sup>1</sup> Professional development hours earned in excess of sixty (60) in the designated year cannot be carried over to the next year. Certified employees who are prevented from obtaining the required professional development hours due to their illness or the illness of an immediate family member as defined in A.C.A. § 6-17-1202 have until the end of the following school year to make up the deficient hours. This extension does not absolve the employee from also obtaining the following year's required 60 hours of professional development.

The goal of all professional development activities shall be improved student achievement and academic performance that results in individual, school-wide, and system-wide improvement designed to ensure that all students demonstrate proficiency on the state criterion-referenced assessments. The district's professional development plan shall demonstrate scientifically research-based best practice, and shall be based on student achievement data and in alignment with applicable ADE Rules and/or Arkansas code.

Teachers and administrators shall be involved in the design, implementation, and evaluation of the plan for their own professional development. The results of the evaluation made by the participants in each program shall be used to continuously improve the district's professional development offerings and to revise the school improvement plan.

Flexible professional development hours (flex hours) are those hours which an employee is allowed to substitute professional development activities, different than those offered by the district, but which still meet criteria of either the employee's Individual Improvement Plan or the school's ACSIP, or both. The district shall determine on an annual basis how many, if any, flex hours of professional development it will allow to be substituted for district scheduled professional development offerings. The determination may be made at an individual building, a grade, or by subject basis. The district administration and the building principal have the authority to require attendance at specific professional development activities. Employees must receive advance approval from the building principal for activities they wish to have qualify for flex professional development hours. To the fullest extent possible, professional development activities are to be scheduled and attended such that teachers do not miss their regular teaching assignments. Six (6) approved flex hours credited toward fulfilling the sixty (60) hour requirement shall equal one contract day. Hours of professional development earned by an employee that is not at the request of the district and is in excess of sixty (60) or not pre-approved by the building principal shall not be credited toward fulfilling the required number of contract days for that employee.<sup>2</sup> Hours earned that count toward the required sixty (60) also count toward the required number of contract days for that employee. Employees shall be paid their daily rate of pay for professional development

hours earned at the request of the district that necessitate the employee work more than the number of days required by their contract.

Teachers and administrators who, for any reason, miss part or all of any scheduled professional development activity they were required to attend, must make up the required hours in comparable activities which are to be pre-approved by the building principal.

To receive credit for his/her professional development activity each employee is responsible for obtaining and submitting documents of attendance, or completion for each professional development activity he/she attends. Documentation is to be submitted to the building principal or designee.

Teachers and administrators are required to obtain sixty (60) hours of approved professional development annually over a five-year period as part of licensure renewal requirements. At least six (6) of the sixty (60) annual hours shall be in the area of educational technology.

Teachers are required to receive at least two hours annually of their sixty (60) required hours of professional development designed to enhance their understanding of effective parental involvement strategies.

Teachers who provide instruction in Arkansas history shall receive at least two (2) hours of professional development in Arkansas history as part of the sixty (60) hours required annually.

Personnel who are likely to use automated external defibrillators shall receive the training required by Rule. Such training shall count toward the required annual hours of professional development.

Administrators are required to receive at least three hours annually of their sixty (60) required hours of professional development designed to enhance their understanding of effective parental involvement strategies and the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation. Each administrator's professional development is required to also include training in data disaggregation, instructional leadership and fiscal management.

Teachers required by the superintendent, building principal, or their designee to take approved training related to teaching an advance placement class for a subject covered by the College Board and Educational Testing Service shall receive up to thirty (30) hours of credit toward the sixty (60) hours of professional development required annually.

Certified personnel may earn up to twelve (12) hours of professional development for time they are required to spend in their instructional classroom, office or media center prior to the first day of student/teacher interaction **provided** the time is spent in accordance with the state law and current ADE rules that deal with professional development. The hours may be earned through online professional development approved by the ADE provided the professional development relates to the district's ASCIP and the teacher's professional growth plan.

Teachers are eligible to receive fifteen (15) professional development hours for a college course that meets the criteria identified in law and the applicable ADE rules. The board shall determine if the hours earned apply

toward the required sixty (60). A maximum of thirty (30) hours may be applied toward the sixty (60) hours of professional development required annually.

Employees who do not receive or furnish documentation of the required annual professional development jeopardize the accreditation of their school and academic achievement of their students. Failure of an employee to receive sixty (60) hours of professional development in any given year, unless due to illness as permitted by law, shall be grounds for disciplinary action up to and including termination.

Approved professional development activities may include conferences, workshops, institutes, individual learning, mentoring, peer coaching, study groups, National Board for Professional Teaching Standards Certification, distance learning, internships, district/school programs, and approved college/university course work. Professional development activities should be consistent with the objectives developed by the National Staff Development Council Standards.

Professional development activities shall relate to the following areas: content (K-12); instructional strategies; assessment; advocacy/leadership; systemic change process; standards, frameworks, and curriculum alignment; supervision; mentoring/coaching; educational technology; principles of learning/developmental stages; cognitive research; and building a collaborative learning community.

### **3.7—CERTIFIED PERSONNEL DRUG TESTING**

#### **Scope of Policy**

Each person hired for a position which allows or requires that the employee operate any type of motor vehicle which is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District, and is operated for the transportation of children to or from school or school sponsored activity shall undergo a physical examination, including a drug test.<sup>1</sup> Each person's initial employment for a job entailing a safety sensitive function is conditioned upon the district receiving a negative drug test result for that employee.<sup>2</sup> The offer of employment is also conditioned upon the employee's signing an authorization for the request for information by the district from the Commercial Driver Alcohol and Drug Testing Database.<sup>3</sup>

#### **Methods of Testing**

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities. ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

#### **Definition**

Safety sensitive function includes:

- a) All time spent inspecting, servicing, and/or preparing the vehicle;
- b) All time spent driving the vehicle;
- c) All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d) All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

#### **Requirements**

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;
3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

#### **Prohibitions**

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;

- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner, knowledgeable of the driver's job responsibilities, who has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

### **Testing for Cause**

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.<sup>4</sup>

### **Refusal to Submit**

Refusal to submit to an alcohol or controlled substance test means that the driver

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

### **Consequences for Violations**

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety sensitive functions. Actions regarding their continued

employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment. <sup>5</sup> -

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to "reasonable suspicion" tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of 24 hours from the time the observation was made triggering the driver's removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period not less than 24 hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

### **3.8—CERTIFIED PERSONNEL SICK LEAVE**

#### **Definitions**

1. “Employee” is a full-time employee of the District.
2. “Sick Leave” is absence from work due to illness, whether by the employee or a member of the employee’s immediate family, or due to a death in the family. The principal shall determine whether sick leave will be approved on the basis of a death outside the immediate family of the employee.
3. “Current Sick Leave” means those days of sick leave for the current contract year, which leave is granted at the rate of one day of sick leave per contracted month, or major part thereof.
4. “Accumulated Sick Leave” is the total of unused sick leave, up to a maximum of ninety (90) days accrued from previous contract, but not used.
5. “Immediate family” means an employee’s spouse, child, parent, or any other relative provided the other relative lives in the same household as the teacher.

#### **Sick Leave**

The principal has the discretion to approve sick leave for an employee to attend the funeral of a person who is not related to the employee, under circumstances deemed appropriate by the principal. Such approved sick leave shall not exceed one-half day.

Pay for sick leave shall be at the employee’s daily rate of pay, which is that employee’s total contracted salary, divided by the number of days employed as reflected in the contract. Absences for illness in excess of the employee’s accumulated and current sick leave shall result in a deduction from the employee’s pay at the daily rate as defined above.

At the discretion of the principal (or Superintendent), the District may require a written statement of the employee’s physician. Failure to provide such documentation of illness may result in sick leave not being paid, or in dismissal.

Should a teacher be absent frequently during a school year, and if such a pattern of absences continues, or is reasonably expected to continue, the Superintendent may relieve the teacher of his assignment (with Board approval) and assign the teacher substitute duty at the teacher’s daily rate of pay. Should the teacher fail, or otherwise be unable, to report for substitute duty when called, the teacher will be charged a day of sick leave, if available.

Excessive absenteeism, whatever the cause, to the extent that the employee is not carrying out his assigned duties to an extent that the education of students is substantially adversely affected (at the determination of the principal or Superintendent) may result in dismissal.

### **Sick Leave and Family Medical Leave Act (FMLA) Leave**

When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability<sup>1</sup> determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing<sup>2</sup>, of the decision within two workdays. If the leave is intermittent as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

#### **Spousal Donations**

Any full-time certified employee, whose spouse is also a full-time certified employee of the Blevins District, may use sick leave accumulated by the spouse, provided that the employee requiring the sick leave has no accumulated days of leave and the spouse consents in writing to the use of his/her accumulated days.

Policy Code: GBRH

Amendment 4-14-2003

### **3.10—CERTIFIED PERSONNEL PLANNING TIME**

A master schedule shall be created by the building level principal<sup>1</sup> indicating when each teacher's planning period and scheduled lunch period will be. Planning time is for the purpose of scheduling conferences, instructional planning, and preparation. Each teacher will have the ability to schedule these activities during his/her designated planning time.<sup>2</sup> Teachers may not leave campus during their planning time without prior permission from their building level supervisor.<sup>3</sup>

The planning time shall be in increments of not less than forty (40) minutes and shall occur during the student instructional day unless a teacher requests, in writing, to have his/her planning time occur outside of the student instructional day. For the purposes of this policy, the student instructional day means the time that students are required to be present at school.

### **3.11—CERTIFIED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE**

#### **Personal Leave**

For the district to function efficiently and have the necessary personnel present to effect a high achieving learning environment, employee absences need to be kept to a minimum. The district acknowledges that there are times during the school year when employees have personal business that needs to be addressed during the school day. Each full-time employee shall receive two (2) days of personal leave per contract year. The leave may be taken in increments of no less than 1.

Employees shall take personal leave or leave without pay for those absences which are not due to attendance at school functions which are related to their job duties and do not qualify for other types of leave (for sick leave see Policy 3.9, for professional leave see below).

School functions, for the purposes of this policy, means:

1. Athletic or academic events related to the school district; and
2. Meetings and conferences related to education.

For employees other than the superintendent, the determination of what activities meet the definition of a school function shall be made by the employee's immediate supervisor or designee. For the superintendent, the school board of directors shall determine what activities meet the definition of a school function. In no instance shall paid leave in excess of allotted vacation days and/or personal days be granted to an employee who is absent from work while receiving remuneration from another source as compensation for the reason for their absence.

Any employee desiring to take personal leave may do so by making a written request to his supervisor at least twenty-four (24) hours prior to the time of the requested leave. The twenty-four hour requirement may be waived by the supervisor when the supervisor deems it appropriate.

Employees who fail to report to work when their request for a personal day has been denied or who have exhausted their allotted personal days, shall lose their daily rate of pay for the day(s) missed (leave without pay). While there are instances where personal circumstances necessitate an employee's absence beyond the allotted days of sick and/or personal leave, any employee who requires leave without pay must receive advance permission (except in medical emergencies) from their immediate supervisor. Failure to report to work without having received permission to be absent is grounds for discipline, up to and including termination.

Personal leave may not be taken the day before or the day after a regularly scheduled break from the school calendar, without special written approval from the superintendent.

The employee's immediate supervisor must approve all personal leave days.

No more than (3) personal leave days may be taken for any one request, without special written approval from the superintendent.

#### **Professional Leave**

“Professional Leave” is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., teacher workshops or serving on professional committees) which can serve to improve the school district’s instructional program or enhances the employee’s ability to perform his duties. Professional

leave will also be granted when a school district employee is subpoenaed for a matter arising out of the employee's employment with the school district. Any employee seeking professional leave must make a written request to his immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor's decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the district's students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee's discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for their participation in the professional leave activity and a substitute is needed for the employee, the district shall pay the full cost of the substitute. If the employee receives and accepts remuneration for their participation in the professional leave activity (e.g. scholastic audits or praxis assessments), the employee shall forfeit his/her daily rate of pay from the district for the time the employee misses. The cost of a substitute, if one is needed, shall be paid by the employee/district<sup>5</sup>.

### **3.12—CERTIFIED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS**

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual’s presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.10—SEX OFFENDERS ON CAMPUS (MEGAN’S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested, aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school’s administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.<sup>1</sup>

### **3.13—CERTIFIED PERSONNEL PUBLIC OFFICE**

An employee of the District who is elected to the Arkansas General Assembly or any elective or appointive public office (not legally constitutionally inconsistent with employment by a public school district) shall not be discharged or demoted as a result of such service.

No paid leave will be granted for the employee's participation in such public office. The employee may receive pay for personal leave or vacation (if applicable), if approved in advance by the Superintendent, during his absence.

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

An employee who fraudulently requests sick leave for the purpose of taking leave to serve in public office may be subject to nonrenewal or termination of his employment contract.

### **3.14—CERTIFIED PERSONNEL JURY DUTY**

Employees are not subject to discharge, loss of sick leave, loss of vacation time or any other penalty due to absence from work for jury duty, upon giving reasonable notice to the District through the employee's immediate supervisor.

The employee must present the original (not a copy) of the summons to jury duty to his supervisor in order to confirm the reason for the requested absence.

Employees shall receive their regular pay from the district while serving jury duty, and shall reimburse the district from the stipend they receive for jury duty, up to, but not to exceed, the cost of the substitute hired to replace the employee in his/her absence.<sup>1</sup>

This policy is similar to Policy 8.10. If you change this policy, review 8.10 at the same time to ensure applicable consistency between the two.

A leave of absence granted under this policy shall not be charged to the teacher's sick leave.

In order to obtain leave under this policy, the teacher must present documentation of the injury from a physician, with an estimate for time of recovery sufficient to enable the teacher to return to work, and written statements from witnesses (or other documentation as appropriate to a given incident) to prove that the incident occurred in the course of the teacher's employment.

### **3.16—CERTIFIED PERSONNEL REIMBURSEMENT FOR PURCHASE OF SUPPLIES**

Prekindergarten through sixth grade teachers shall be allotted the amount required by law per student enrolled in the teacher’s class to be used for the purchase of classroom supplies and class activities. The amount shall be credited to an account from which the teacher shall be reimbursed for his/her covered purchases to the extent funds are available in the account. For the purposes of this policy, pre-kindergarten through sixth grade teachers shall be eligible for the allotted supply reimbursement for those students enrolled in the teacher’s class for more than 50% of the school day at the end of the first three months of the school year.

Teachers may purchase supplies and supplementary materials from the district at the district’s cost to take advantage of the school’s bulk buying power. To do so, teachers shall complete and have approved by Superintendent a purchase order for supplies which will then be purchased on the teacher’s behalf by the school and subtracted from the teacher’s total supply and material allocation. Teachers may also purchase materials and supplies using their own funds and apply for reimbursement by submitting itemized receipts. Receipts totaling less than \$1 will be held until total receipts are equal to or greater than \$1. Supplies and materials purchased with school funds, or for which the teacher is reimbursed with school funds, are school property, and should remain on school property.

Unused allotments shall not be carried over from one fiscal year to the next.

### **3.24—CERTIFIED PERSONNEL DEBTS**

All employees are expected to meet their financial obligations. If an employee writes “hot” checks or has his income garnished, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, he or his designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

### **3.25—CERTIFIED PERSONNEL GRIEVANCES**

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

#### **Definitions**

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision. <sup>1</sup> A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

#### **Process**

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee’s immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent<sup>2</sup>. If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance, unless a shorter period is agreed to by the employee, and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student

under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

**Records**

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

**Reprisals**

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

### **3.26—CERTIFIED PERSONNEL SEXUAL HARASSMENT**

The Blevins School District is committed to having an academic and work environment in which all students and employees are treated with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational environment and will not be tolerated.

Believing that prevention is the best policy, the district will periodically inform students and employees about the nature of sexual harassment, the procedures for registering a complaint, and the possible redress that is available. The information will stress that the district does not tolerate sexual harassment and that students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences.

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment as defined in this policy. Any employee found, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination.

Sexual harassment refers to unwelcome sexual advances, requests for sexual favors, or other personally offensive verbal, visual, or physical conduct of a sexual nature made by someone under any of the following conditions:

1. Submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's education or employment;
2. Submission to, or rejection of, such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creates an intimidating, hostile, or offensive academic or work environment.

The terms "intimidating," "hostile," and "offensive" include conduct of a sexual nature which has the effect of humiliation or embarrassment and is sufficiently severe, persistent, or pervasive that it limits the student's or employee's ability to participate in, or benefit from, an educational program or activity or their employment environment.

Within the educational or work environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances. Depending upon such circumstances, examples of sexual harassment include, but are not limited to: unwelcome touching; crude jokes or pictures; discussions of sexual experiences; pressure for sexual activity; intimidation by words, actions, insults, or name calling; teasing related to sexual characteristics; and spreading rumors related to a person's alleged sexual activities.

Employees who believe they have been subjected to sexual harassment are encouraged to file a complaint by contacting their immediate supervisor, administrator, or Title IX coordinator who will assist them in the

complaint process. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the harassment. To the extent possible, complaints will be treated in a confidential manner. Limited disclosure may be necessary in order to complete a thorough investigation.

Employees who file a complaint of sexual harassment will not be subject to retaliation or reprisal in any form.

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

### **3.28—CERTIFIED PERSONNEL COMPUTER USE POLICY**

The Blevins School District provides computers and/or computer Internet access for many employees to assist employees in performing work related tasks. Employees are advised that they enjoy no expectation of privacy in any aspect of their computer use, including email, and that under Arkansas law both email and computer use records maintained by the district are subject to disclosure under the Freedom of Information Act. Consequently, no employee or student-related reprimands or other disciplinary communications should be made through email.

Passwords or security procedures are to be used as assigned, and confidentiality of student records is to be maintained at all times. Employees must not disable or bypass security procedures, compromise, attempt to compromise, or defeat the district's technology network security, alter data without authorization, disclose passwords to other staff members or students, or grant students access to any computer not designated for student use. It is the policy of this school district to equip each computer with Internet filtering software designed to prevent users from accessing material that is harmful to minors. The designated District Technology Administrator or designee may authorize the disabling of the filter to enable access by an adult for a bona fide research or other lawful purpose.

Employees who misuse district-owned computers in any way, including excessive personal use, using computers for personal use during instructional time, using computers to violate any other policy, knowingly or negligently allowing unauthorized access, or using the computers to access or create sexually explicit or pornographic text or graphics, will face disciplinary action, up to and including termination or non-renewal of the employment contract.

### **3.31—DRUG FREE WORKPLACE - CERTIFIED PERSONNEL**

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations. (Insert substance abuse resources here.)<sup>1</sup>

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

An employee living on campus or on school owned property is permitted to possess alcohol in his/her residence. The employee is bound by the restrictions stated in this policy while at work or performing his/her official duties.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately.

If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he cannot properly perform his duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his physician in order to adjust the medication, if possible, so that the employee may return to his job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

Year: for leave **other than** to care for the serious injury or illness of a covered service member, the twelve (12) month period of eligibility shall begin on the first duty day of the school year.

Year: for leave to care for the serious injury or illness of a covered service member, the twelve (12) month period begins on the first day the eligible employee takes FMLA leave to care for a covered servicemember and ends 12 months after that date.

### **Policy**

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family Medical Leave Act of 1993 as amended shall govern.

### **Leave Eligibility**

The district will grant up to twelve (12) weeks of leave in a year in accordance with the Family Medical Leave Act of 1993 (FMLA) as amended to its eligible employees for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and

4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.
6. To care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury.

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a **covered service member** shall be entitled to a total of 26 weeks of leave during one 12-month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 5.

If husband and wife are both eligible employees employed by the district, the husband and wife are entitled to a total of 26 weeks of leave during one 12-month period to care for their spouse, son, daughter, parent, or next of kin who is a **covered service member** with a serious injury or illness as defined in this policy. A husband and wife who care for such a covered service member is limited for reasons 1 through 5 listed above to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 5.

### **District Notice to Employees**

The district shall post, in conspicuous places in each school within the district, where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor.<sup>3</sup>

### **Employee Notice to District**

#### Foreseeable:

When the need for leave is foreseeable for reasons 1 through 4 or 6 listed above, the employee shall provide the district with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave for the specified reason, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the necessity for leave for reason 5 listed above is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the district as is reasonable and practicable regardless of how far in advance the leave is foreseeable.

When the need for leave is for reasons 3, 4, or 6 listed above, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

Failure by the employee to give thirty (30) days notice may delay the taking of FMLA leave until at least thirty (30) days after the date the employee provides notice to the district.

Unforeseeable:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the district notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the district within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means.

**Medical Certification<sup>4</sup>**

When the need for leave is for reasons 3, 4, or 6 listed above, the employee should provide a medical certification from a licensed, practicing health care provider supporting the need for leave at the time the notice for leave is given, but must provide certification at least fifteen (15) days prior to the date the leave is to begin. The certification shall include the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider regarding the condition. Leave taken for reason 3 listed above, must include certification that the eligible employee is needed to care for the son, daughter, spouse, or parent and an estimate of the amount of time the employee is needed to provide the care. For reason 4 listed above, the certification must include a statement that the employee is unable to perform the required functions of his/her position.

If FMLA leave is to be taken on an intermittent or reduced work schedule basis for planned medical treatment, the certification shall include the dates on which such treatment is expected to be given and the duration of such treatment.

Second Opinion: In any case where the district has reason to doubt the validity of the certification provided, the district may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the district may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the district and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the district and the employee.

Recertification: The district may request the employee obtain a recertification, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply;

- a. The employee requests an extension of leave;
- b. Circumstances described by the previous certification have changed significantly; and/or
- c. The district receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in no more than fifteen (15) calendar days after the district's request.

No second or third opinion on recertification may be required.

### **Sick Leave and Family Medical Leave Act (FMLA) Leave**

When an employee takes sick leave, the district shall determine if the leave qualifies for FMLA leave. The district may request additional information from the employee to help make the applicability<sup>5</sup>determination. If the leave qualifies under the FMLA, the district will notify the employee, either orally or in writing<sup>6</sup>, of the decision within two workdays. If the leave is intermittent or on a reduced schedule as defined in this policy and the circumstances of the leave don't change, the district is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave. To the extent the employee has accrued paid leave, any leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave.

### **Concurrent Leave**

The district requires employees to substitute any applicable accrued leave for any part of the twelve (12) week period of FMLA leave. All FMLA leave is unpaid unless substituted by applicable accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. To the extent that workers compensation benefits and FMLA leave run concurrently, the employee will not be charged for any paid leave accrued by the employee. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the district's offer of a "light duty job." As a result, the employee may lose his/her workers' compensation payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

### **Health Insurance Coverage**

The district shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the district. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the district's business office on or before it would be made by payroll deduction.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave, the district's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the district may recover the premiums it paid to maintain health care coverage unless:

- a. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
- b. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

### **Reporting Requirements During Leave**

Employees shall inform the district every two weeks<sup>7</sup> during FMLA leave of their current status and intent to return to work.

### **Return to Work**

**Medical Certification:** An employee who has taken FMLA leave under reason 4 stated above shall provide the district with certification from a health care provider that the employee is able to resume work.

**Return to Previous Position:** An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority. The employee may not be restored to a position requiring additional licensure or certification.

**Failure to Return to Work:** In the event that an employee is unable or fails to return to work, the superintendent will make a determination at that time regarding the documented need for a severance of the employee's contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

### **Intermittent or Reduced Schedule Leave**

Eligible employees may only take intermittent or reduced schedule leave for reasons 1 and 2 listed above if the district agrees to permit such leave upon request of the employee.

Eligible employees may take intermittent or reduced schedule leave due to reasons 3, 4, and 6 listed above if they have

- (A) made a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and

(B) provided the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

Eligible employees requesting intermittent or reduced schedule leave that is foreseeable based on planned medical treatment may be transferred to an alternative position for which the employee is qualified with equivalent pay and benefits that better accommodates the employee's intermittent or reduced schedule leave.

If an eligible employee who meets the definition of an instructional employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment and the employee would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, the district may require the employee to elect either

- a. to take medical leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
- b. to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the regular employment position of the employee.

#### **Leave taken by eligible instructional employees near the end of the academic term**

##### **Leave more than 5 weeks prior to end of term**

If the eligible, instructional employee begins leave, due to reasons 1 through 6 listed above, more than 5 weeks prior to the end of the academic term, the district may require the employee to continue taking leave until the end of such term, if

- (A) the leave is of at least 3 weeks duration; and
- (B) the return to employment would occur during the 3-week period before the end of such term.

##### **Leave less than 5 weeks prior to end of term**

If the eligible, instructional employee begins leave, due to reasons 1, 2, 3, or 6 listed above, during the period that commences 5 weeks prior to the end of the academic term, the district may require the employee to continue taking leave until the end of such term, if

- (A) the leave is of greater than 2 weeks duration; and
- (B) the return to employment would occur during the 2-week period before the end of such term.

##### **Leave less than 3 weeks prior to end of term**

If the eligible, instructional employee begins leave, due to 1, 2, 3, or 6 listed above, during the period that commences 3 weeks prior to the end of the academic term and the duration of the leave is greater than 5 working days, the agency or school may require the employee to continue to take leave until the end of such term.

\* All school districts are covered under the Family Medical Leave Act and are required to keep certain payroll and employee identification records and post pertinent notices regarding FMLA for its employees. Employees, however, are only eligible for FMLA benefits if the district has 50 or more employees within a 75-mile radius of the district's offices. Your district may choose to offer FMLA benefits to your employees even though they are not technically eligible. If your district has less than 50 employees and chooses not to offer FMLA benefits, the following policy serves to inform your employees of why FMLA benefits do not apply to them and could help to avoid possible confusion resulting from the posting of FMLA notices.

### **3.32—CERTIFIED PERSONNEL FAMILY MEDICAL LEAVE**

Employees are eligible for benefits under the Family Medical Leave Act when the district has fifty (50) or more employees. The Blevins School District has less than fifty (50) employees and therefore employees are not eligible for FMLA benefits.

## 29 CFR 825.114 - What is a "serious health condition" entitling an employee to FMLA leave?

(a) For purposes of FMLA, "serious health condition" entitling an employee to FMLA leave means an illness, injury, impairment, or physical or mental condition that involves:

(1) Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity (for purposes of this section, defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefor, or recovery therefrom), or any subsequent treatment in connection with such inpatient care; or

(2) Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

(i) A period of incapacity (i.e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefor, or recovery therefrom) of more than three consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

(A) Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or

(B) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.

(ii) Any period of incapacity due to pregnancy, or for prenatal care.

(iii) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:

(A) Requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider;

(B) Continues over an extended period of time (including recurring episodes of a single underlying condition); and

(C) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

(iv) A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

(v) Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).

(b) Treatment for purposes of paragraph (a) of this section includes (but is not limited to) examinations to determine if a serious health condition exists and evaluations of the condition. Treatment does not include routine physical examinations, eye examinations, or dental examinations. Under paragraph (a)(2)(i)(B), a regimen of continuing treatment includes, for example, a course of prescription medication (e.g., an antibiotic) or therapy requiring special equipment to resolve or alleviate the health condition (e.g., oxygen). A regimen of continuing treatment that includes the taking of over-the-counter medications such as aspirin, antihistamines, or salves; or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a

health care provider, is not, by itself, sufficient to constitute a regimen of continuing treatment for purposes of FMLA leave.

(c) Conditions for which cosmetic treatments are administered (such as most treatments for acne or plastic surgery) are not "serious health conditions" unless inpatient hospital care is required or unless complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraine, routine dental or orthodontia problems, periodontal disease, etc., are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave. Restorative dental or plastic surgery after an injury or removal of cancerous growths are serious health conditions provided all the other conditions of this regulation are met. Mental illness resulting from stress or allergies may be serious health conditions, but only if all the conditions of this section are met.

(d) Substance abuse may be a serious health condition if the conditions of this section are met. However, FMLA leave may only be taken for treatment for substance abuse by a health care provider or by a provider of health care services on referral by a health care provider. On the other hand, absence because of the employee's use of the substance, rather than for treatment, does not qualify for FMLA leave.

(e) Absences attributable to incapacity under paragraphs (a)(2) (ii) or (iii) qualify for FMLA leave even though the employee or the immediate family member does not receive treatment from a health care provider during the absence, and even if the absence does not last more than three days. For example, an employee with asthma may be unable to report for work due to the onset of an asthma attack or because the employee's health care provider has advised the employee to stay home when the pollen count exceeds a certain level. An employee who is pregnant may be unable to report to work because of severe morning sickness.

Teachers and other school employees who have witnessed, or are reliably informed that, a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the principal. The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

District staff are required to help enforce implementation of the district's anti-bullying policy. The district's definition of bullying is included below. Students who bully another person are to be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or school-approved function, activity, or event; or going to or from school or a school activity. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

### **3.40—CERTIFIED PERSONNEL DUTY TO REPORT CHILD ABUSE, MALTREATMENT OR NEGLECT**

It is the statutory duty of certified school district employees who have reasonable cause to suspect child abuse or maltreatment to directly and personally report these suspicions to the Arkansas Child Abuse Hotline, by calling 1-800-482-5964. Failure to report suspected child abuse, maltreatment or neglect by calling the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.

The duty to report suspected child abuse or maltreatment is a direct and personal duty, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment or neglect has occurred, or to rule out such a belief<sup>f</sup>. Employees and volunteers who call the Child Abuse Hotline in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer from directly reporting suspected child abuse or maltreatment, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline.

### **3.41—CERTIFIED PERSONNEL VIDEO SURVEILLANCE**

The board has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras. The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use. Violations of school personnel policies or laws caught by the cameras may result in disciplinary action.

The district shall retain copies of video recordings until they are erased which may be accomplished by either deletion or copying over with a new recording.

Videos containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings may become a part of a staff member's personnel record.

### **3.42—RELEASE OF STUDENT’S FREE AND REDUCED PRICE MEAL ELIGIBILITY INFORMATION**

As part of the district’s participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data’s confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information<sup>1</sup> as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.<sup>2</sup>

### **3.44—CERTIFIED PERSONNEL WORKPLACE INJURIES AND WORKERS’ COMPENSATION**

The district provides Workers’ Compensation Insurance, as required by law. Employees who sustain **any** injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify Superintendent. An injured employee must fill out a Form N and the employee’s supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic.

Workers’ Compensation absences may be designated as FMLA absences when the criteria are met under FMLA for a serious health condition.

An employee who is absent from work due to a workplace injury or receiving temporary disability benefits due to a Workers’ Compensation claim will utilize any sick leave accumulation he or she may have at the rate of 1/3 of a sick leave day for day of absence to bring the total amount of combined income up to 100% of usual contracted pay, unless the employee gives the school district written notice to not use sick leave days in this manner. No employee may realize a net compensation gain from a combination of Workers’ Compensation benefits and sick leave in excess of contracted pay. Sick leave days used for workplace injuries will not be restored to the employee.
